Dear Mr. Buck;-

Your letter of January 27th to Mr. Charles Fryer has been referred to me, and I will present it to the Council at its next meeting.

I am very sorry to hear of your accident, also of your intention to resign your membership in our Society. If you still feel an interest in what we are doing here, and would like to continue with us as an Associate Member, we would be very glad to have you do so. The annual dues for Associate Members are five dollars.

With kind regards, believe me,

Very sincerely yours,

Secretary.
